

Fully **recyclable** desk

for the **sustainable** office of the future

At home in any office situation, ECO360® is a **versatile, hard-wearing** and **cost-effective** solution, not just a token environmental consideration

Manufactured in the UK from 68% **recycled** cardboard, ECO360® desks maintain a **circular economy** of materials.

Ideal for

Construction Site Offices

Event Accommodation

Exhibitions

Pop Up Facilities

Green Work Hubs

Shutdowns & Turnarounds

www.ecodesk360.co.uk

- ✓ Display notices or work instructions under the **transparent surface**
- ✓ Customise your desk with **branding** or highlight your **environmental** efforts

- ✓ No mess! Route cables **effortlessly** with universal cable porting
- ✓ **Quick assembly:** out of the box and ready to use in less than 10 minutes - **no tools required!**

- ✓ Instant meeting tools... Use the dry-wipe acrylic top as a **whiteboard**

Robust, strong and versatile

- ✓ Rigorously **tested** to the same standard as a traditional commercial desk, ECO360® is built to last!
